Office Policy

Please read and sign at the bottom, acknowledging that you were informed of these policies. Thank you.

Financial Policy

Thank you for choosing **Dr. Michael Vanaria** to service your dental care needs. We provide high-quality dental care to our patients and are committed to your treatment being successful. Please understand that your financial obligation is considered a part of your treatment. In the interest of good dental care practice, it is desirable to establish a credit policy to avoid misunderstandings. To assist our patients, we offer the following methods for taking care of their account in our office.

→ Before or on your first visit we expect you to supply our office with your insurance information. If any changes should occur during the time you are a patient, it is your responsibility to inform our office with any changes. Our office will not be responsible for claims submitted to insurance companies by which you are no longer covered.

→ Patients are required to pay their deductible and co-payments at the time of each visit.

→ While we accept most insurance plans, and are happy to aid in submission of your claims, it is your responsibility to read your policy and be aware of services covered or not covered by your individual plan.

→ As a courtesy, we will gladly bill your insurance when you provide us with the information and any necessary forms. Often times we are able to contact your insurance provider prior to your appointment, and estimate your portion of the bill. We ask that you pay your portion of the bill at the time of service. Insurance policies are a contract between you, your employer, and the insurance carrier. Please be aware that some, and perhaps all of the services rendered may not be covered under your individual insurance policy. You are ultimately responsible for payment of your account.

→ If no payment is received on an account after two monthly statements our office will make every effort to contact the responsible party. If the party responsible cannot be reached, a third bill will be sent indicating that "This will be the final notice for payment". If the party fails to contact our office after receiving such notice, the account will be sent to a collection agency.

→ As a patient without insurance, you are always responsible for any charges at the time of service.

Failed or Cancelled Appointments

We confirm all appointments the day before your scheduled time. Please be aware that a missed appointment hurts 3 people; you, the doctor, or hygienist, and the person who could have used the time. A cancellation charge will be made for broken appointments unless 24 hours notice is given to cancel or change same. The length of time reserved and the number of prior failed appointments determines your charge. We will not offer appointments to patients who fail multiple appointments without having given us proper notice.

Estimates and Fees

After x-rays and examination, you are entitled to and should ask for an estimate of fees to cover your treatment. All estimates are based upon conditions viewed at the time of diagnosis; unforeseen circumstances, such as pulpal therapy or cracked teeth could alter an estimated fee. It is customary to pay for dental services when they are rendered.

Delinquent Accounts

Delinquent accounts will have to be turned over to a Credit Reporting Collection Agency. The patient will be responsible for a 35% collection fee.

Notice of Privacy Practices (HIPAA)

A laminated copy of our office Notice of Privacy Practices (HIPAA) is available in our office. You have the right to read our Notice of Privacy Practices before you decide whether to sign this consent. Our Notice provides a description of our treatment, payment activities, and healthcare operations. We encourage you to read it carefully and completely before signing this Consent.

Financial Consent

I voluntarily and knowingly request and consent to the services, treatments and/or procedures recommended by the dentist and to all diagnostic methods deemed appropriate by the dentist. I authorize the dentist to perform all such services, treatments and/or procedures and to utilize all such diagnostic methods. Further, I acknowledge and understand that the dentist may engage the assistance of others in performing such services, treatments and/or procedures and in utilizing such diagnostic methods. I understand that the practice of dentistry is not an exact science and I acknowledge that no guarantees have been made to me concerning the results of the services, treatments, procedures and/or diagnostic methods that have been recommended.

I understand and acknowledge that I am fully and completely responsible for the payment of all costs associated with the services, treatments, procedures and/or diagnostic methods performed and utilized by the dentist and others. I acknowledge that any insurance coverage that I may have is based on a contract between my insurance company and me, my spouse and/or my employer. The dentist is not a party to this contract and the services, treatments, procedures and/or diagnostic methods are provided to me. Therefore, I acknowledge that I am fully responsible for the payment of all sums owed to the dentist for the services, treatments, procedures and/or diagnostic methods provided to me. As a courtesy to me, the dental office will bill my insurance company and I acknowledge that I will remain liable for any and all amounts not paid by the insurance company for any reason (including but not limited to the insurance company declining coverage after initially approving it) or if the insurance company fails for any reason to reimburse the dentist within **30** days after being billed by the dentist. I acknowledge that it is my responsibility to provide the dentist with my current insurance and any changes thereto.

All returned checks will be subject to a **\$50.00** returned check fee. Any account balances that remain unpaid for **121** days from the date of service may be referred to an attorney. In the event this occurs, I understand that I will be liable for collection costs (**35%**) that may be imposed from the attorney who acquires my account. Further, in the event any unpaid account balance is referred to an attorney for collection, I agree also to be responsible for all costs and reasonable attorney's fees incurred in connection therewith.

I consent to the dentist's use and disclosure of my health information to my insurance company and any agent thereof. I hereby assign to the dentist all of the insurance due to me for the services, treatments, procedures and/or diagnostic methods provided to me and I authorize my insurance company to make payment directly to the dentist for the costs associated therewith.

I further consent to be contacted by the dentist, any agent of the dental office, or any collection agency (or agent thereof) or attorney to whom an unpaid balance has been assigned or referred by mail at any address that I provide to the dental office an/or by facsimile, email or phone number (whether a cell phone or landline) at any facsimile number, email address or phone number (whether cell phone or landline) that I provide to the dental office or any agent of the dental office.
